11. As discussed below, the agency has confirmed to the Sunlight Foundation that GSA has a database file that contains all solicitations.

The GSA Failed to Make a Determination Regarding Sunlight Foundation’s FOIA Request and Failed to Produce Documents

16. Paragraphs 1-15 are hereby incorporated by reference as if set forth fully herein.

17. On May 29, 2013, the GSA wrote to the Sunlight Foundation via email, acknowledging the Sunlight’s FOIA Request and assigning the reference number 252047. Appendix 3.

19. In a July 10, 2013 email from GSA official Allison VanOcker, (“GSA’s July 10 Email), Appendix 2, the GSA informed Sunlight Foundation that Sunlight’s FOIA Request was “going to cost money” and attached a quote totaling \$3165.26. Appendix 4(a) and Appendix 4(b).

20. In GSA’s July 10 Email, the agency also specified the POC [Point of Contact] information would be excluded, the agency, however did not specify a particular exemption that would apply. Appendix 4.

21. In GSA’s July 10 Email, the agency made no other determination regarding Sunlight’s FOIA Request – it did not specify when the request would be processed, what documents would be provided, what exemptions were being applied, or what Sunlight’s appeal rights are. Appendix 4.

22. Later on July 10, 2013, Ms. Devine replied to the agency via email (Devine July 10 Email), requesting clarification regarding what information was being withheld, from which agencies, and under what exemptions. Ms. Devine also requested clarification regarding the fees being charged. Appendix 5.
23. On July 11, 2013, the agency wrote back with a list of agencies whose point of contact information would be excluded. The agency did not specify which FOIA exemption was being used to justify these exclusions. Appendix 6.
24. On July 11, 2013, Ms. Devine again emailed the agency to inquire whether or not GSA was invoking a FOIA exemption and whether or not this constituted a partial denial. Appendix 7.
25. On July 16, 2013, after not receiving a response from the agency, Ms. Devine again contacted GSA to follow up. Appendix 8.
26. On July 19, 2013, still having not received a response from the agency, Ms. Devine followed up a second time to reiterate her inquiries regarding fees and exemptions. Appendix 9.
27. The Ms. VanOcker replied on July 19, 2013, stating the agency needed time to consult internally before replying to Sunlight's FOIA Request. Appendix 10.
28. On July 26, 2013, Ms. Devine again wrote to GSA, this time to Delee Ann Yaukey, to follow up on her request, asking if there had been an update. Appendix 11.
29. On July 30, Ms. Yaukey forwarded Ms. Devine's email on to Ms. VanOcker for followup. Appendix 12.
30. On or around August 21, 2013, Ms. Devine followed up with the Ms. Youkey via phone regarding the fees. Ms. Yaukey advised Ms. Devine that after looking at Sunlight's Blog

and website (www.sunlightfoundation.com), the agency had decided to waive the \$3165.26 in fees.

31. On September 10, 2013, Ms. Devine followed up another time via email with Ms. Yaukey regarding Sunlight's FOIA Request. Appendix 13.
32. Ms. Devine received an automated vacation email response from Ms. Yaukey's account.

35. On September 18, 2013, Ms. Devine followed up with Ms. VanOcker via email to inform Ms. VanOcker that the agency had not yet uploaded any documents to Sunlight's FTP server and to inquire when the documents would be uploaded. Appendix 16.
36. On September 18, 2013, Ms. VanOcker replied stating that no documents had been uploaded yet and stating that email points of contact would be included for all non-Department of Defense and Department of Homeland Security contacts. Appendix 17.
37. On September 18, 2013, Ms. Devine replied to again reiterate her question about which exemption the agency was invoking, if any. Appendix 18. The agency has not responded.

Sunlight has Constructively Exhausted its Administration Remedies

38. Paragraphs 1-37 are hereby incorporated by reference as if set forth fully herein.
39. As described above, GSA never made an actual determination regarding Sunlight's FOIA Request – the agency never produced documents, indicated the scope of the

documents it would produce or when they would be produced, the exemptions it will claim, or advised Sunlight of its appeal rights.

40. GSA's failure to respond within the twenty business day statutory time limit constitutes a constructive denial of Sunlight's FOIA Request.
